

**Adult Social Care
Community Pharmacy Engagement Day
23rd April 2018, 11am – 3pm
CQC London office
151 Buckingham Palace Road
SW1W 9SZ**

Intended audience:

The day is aimed at those individuals involved in developing services to care homes - Professional Services Managers, Client Managers, Quality Leads.

What can you expect?

- ❖ A series of case studies and workshops based around medicines optimisation issues identified as areas of concern at inspections.
- ❖ Tips on implementing NICE guidance SC1, managing medicines in care homes.
- ❖ The opportunity to speak to members of the CQC Medicines Optimisation team and discover more about how CQC works to promote safe and effective medicines optimisation in care homes.
