

July 2019 Deadline Tracker

If you are part of a pharmacy group or multiple, please liaise with your company managers/head office.

Subject	Requirement	Deadline	Action and links	Tick when completed
MUR/ NMS Quaterley Submission	Contractual – risk of breach notice if not complete	Within the first 10 working days of July 2019	<p>Submit here data returns to the NHS BSA here https://www.nhsbsa.nhs.uk/pharmacies-gp-practices-and-appliance-contractors/dispensing-contractors-information/medicines-use</p> <p>Help to do this available on our website here, most contractors find submitting data via the online form is the easiest approach.</p> <p>Locally, 13 contractors across Surrey and Sussex have received a breach notice from NHS England’s local area team, due to non- compliance. Make sure you have a process & task reminders in place.</p>	
Serious Shortage Protocols (SSP)	Regulatory Change	1 st July 2019	<p>Regulatory change to come into force from Monday 1st July 2019 will include Serious Shortage Protocols into the terms of service for NHS Community Pharmacies. Familiarise yourself with background to the regulations and operation of SSP can be found here.</p>	
Funded Post Graduated Courses	Workforce training / forward planning	Ongoing until March 2020	<p>Community pharmacists are reminded of a number of postgraduate courses, funded by the Pharmacy Integration Fund until March 2020, to help you be best prepared to deliver clinical services in the future.</p> <p>Learners can choose from a range of courses and modules to develop their clinical practice. The Fund will cover the tuition fees for chosen modules, up to a maximum of 60 credits in a year (this can be for a Postgraduate Certificate, Diploma or CPD for revalidation).</p> <p>Act now to secure your place: ow.ly/X4tK30oQC5v</p>	
Primary Care Network (PCN) Webinar	Contractor Support from your Local Pharmaceutical Committee (LPC)		<p>In case you missed our latest webinar on PCNs, watch on demand here. Start to think about what preparation you need to do to understand and integrate with PCNs.</p>	
Log on to PharmOutcomes	Messages from commissioner/ Compliance	Daily	<p>For locally commissioned, the PharmOutcomes message platform is being used to inform community pharmacy teams of any changes to services, training or any other important messages.</p> <p>Recent audit reports shows there are high number of pharmacies who are not reading messages at all, missing out on essential information. Ensure that you have a process to check daily, mark as read and action appropriately.</p>
