

Learning recommendations as new year begins: seven great opportunities

Surrey, East Sussex, West Sussex Every two months | Issue 1 | January 2020

There's lots going on, especially for those who want to hone their clinical skills, get ready for the pharmacy quality scheme, get involved in shaping the future of pharmacy in Surrey and Sussex or just because they want to!

Here's our pick of some upcoming events, training and things to do taking place in community pharmacy in Sussex and Surrey over the coming weeks and months. See also our new-look website with sections on <u>learning & development</u> and our <u>local events</u>

* Remember: blue hyperlinks will take you to more information, and where indicated to reserve your place. Places must be registered in advance

Health	East Sussex only
champion shared learning	• These sessions are open to all customer facing staff working in community pharmacies across East Sussex. Lunch is provided an backfill payments for branches releasing staff will be made availab after the course dates.
sessions: winter 2020 Battle Tuesday 21 January 2020 Crowborough Wednesday 29 January 2020	 These sessions are an opportunity to share and build on knowledç and to reinvigorate your approach in promoting and encouraging patients and customers to access and take advantage of the range local services available in community pharmacy. Colleagues from <i>One You East Sussex</i> will host update sessic on Health Check and Stop Smoking services and provide a specially devised Make Every Contact Count (MECC) refreshe course. Partners from <i>Change, Grow, Live (CGL)</i> the national provider support, treatment and rehabilitation programmes for those wi substance misuse problems will talk to us about the help and support they provide to clients, how Supervised Consumption and Needle Exchange Services in pharmacy helps support the work and what help is available for those who may wish to reduce their drinking. <i>Louise Trenchard,</i> the Fuel Poverty Coordinator for East Suss will tell us more about the <i>Warm Homes programme,</i> its aims and how community pharmacy can help, plus there'll be a roundup of the latest HLP news pharmacy and a forward look what's coming up in 2020!
	 To book your place please <u>click here</u> to go to the East Sussex Community Pharmacy Eventbrite pages.

	All areas	
Get HLP ready at our HLP workshop	Community pharmacy contractors are required to become an HLF Level 1 by 1st April 2020 as agreed in the <u>five-year deal</u> between PSNC, NHS England and NHS Improvement and the Department Health and Social Care.	
Gatwick Sunday 12 January 2020	Your LPCs have arranged for award-winning pharmacy training specialists and founders of the HLP concept, Pharmacy Complet to come to Surrey and Sussex to help you be HLP compliant. <u>Rea</u> <u>more and reserve one, or more places</u> .

Our future mailings and newsletters

- We are changing the ways we distribute our newsletters, and our other regular contractor news to you, to improve our GDPR and our efficiency.
- In the future you may notice that you no longer hear from us at your **PERSONAL** email addresses. To avoid this we urge you to opt in to receive our mailings. We've made opting-in as easy as possible: just click on the link to submit your email address then validate your request by following the instructions in the confirmation email you will receive.
- You should also add us to your 'safe addresses' so that we don't end up in your junk or trash.
- And, because we recognise that our news is relevant to all pharmacy staff, not just the person who opens your pharmacies '**official' NHS mail**, we urge all team members and support staff to sign up to receive our news too

I want to keep in touch with what's going on in Surrey and Sussex Read how we use your data
