

SE Forum of LPCs Sponsorship Information

The SE Forum of LPCs is hosted by Community Pharmacy Surrey & Sussex and is formed of a coalition of 11 organisations committed to improving community pharmacy in Kent, Sussex, and Surrey. It's the region's largest multidisciplinary forum for pharmacy leaders from across the whole community sector, to share their expertise and hear the latest developments in community pharmacy and service delivery – this is your chance to join them. There is a range of opportunities with tailored benefits to meet the needs of organisations who want to work with community pharmacy leaders. We want to develop and enhance relationships between the Forum members and industry. We are offering exhibition and networking opportunities to enable you to showcase your products and services, engage with community pharmacy leaders, decision makers, trainers, educators and commissioners.

The Forum includes professionals and leaders from pharmacy organisations and commissioners. Representatives meet regularly to share ideas, improve, and develop the community pharmacy sector and help shape the amount and type of training available to community pharmacists and their teams. The Forum is the largest multidisciplinary forum for pharmacy leaders in Kent, Sussex and Surrey and attracts over 20 senior professionals every time it meets.

Regular members include:

- Chief executive, chair and vice-chair, Kent Local Pharmaceutical Committee
- Chair and vice-chair, East Sussex Local Pharmaceutical Committee
- Chair and vice-chair, West Sussex Local Pharmaceutical Committee
- Chair and vice-chair, Surrey Local Pharmaceutical Committee
- Chair of the pharmacy local professional network (LPN)
- Chief executive of Community Pharmacy Surrey & Sussex, and three staff members
- Regional managers from NHS England and NHS Improvement
- Senior manager from Kent Sussex, Surrey Academic Health Science Network (AHSN)
- Regional pharmacy leads from Health Education England
- National and regional leads from PSNC (Pharmaceutical Services Negotiating Committee)
- Representative from the National Pharmacy Association
