#### Note for 2021/2022 – requirements removed

- Contractors will not be required to complete the Community Pharmacy Patient Questionnaire.
- The requirement for pharmacy teams to complete a national audit (intended to be on valproate) or to complete a contractor-chosen clinical audit has been waived.
- PSNC and NHSE&I have agreed that the requirement for contractors to report NMS data for Quarters 3 and 4 of 2021/22 be removed. This requirement will be reinstated from Quarter 1 of 2022/23 (April – June 2022), and contractors will be required to submit their quarterly data in early July 2022.
