

## Pharmacy Service Claiming Checklist East Sussex

On behalf of East Sussex, West Sussex and Surrey LPCs

| Services to be claimed  | When to claim | Where to claim  | Tick when completed |
|---|---------------|---|---------------------|
| Number of Appliance Use Reviews   | Monthly       | FP34C   |                     |
| Number of Appliance Use Reviews conducted at the users home                       | Monthly       | FP34C   |                     |
| Number of completed New Medicine Service undertaken                               | Monthly       | FP34C   |                     |
| It's a good practice to keep Monthly data for NMS undertaken to meet the quaterly |               |   |                     |
| data submission contractual requirement   |               |   |                     |
| Community Pharmacist Consulation Service (CPCS)                                   | Monthly       | All payments must be claimed via the NHSBSA Manage Your           |                     |
|   |               | Service (MYS) portal; no paper-based claims process is            |                     |
|   |               | available for the service. The CPCS IT system (PharmOutcomes)     |                     |
|   |               | will be able to pre-populate claim information in MYS each        |                     |
|   |               | month, so that the contractor then just needs to login to MYS     |                     |
|   |               | at the start of the following month to confirm that the           |                     |
|   |               | information is correct and to submit the claim.                   |                     |
| Discharge Medicine Service (DMS)  | Monthly       | All claims should be made via NHSBSA Manage Your Service          |                     |
|   |               | (MYS) portal.   |                     |
| NHS Flu (service normally runs September to March)                                | Monthly       | Community pharmacy contractors must claim payment                 |                     |
|   |               | monthly, via the NHS Business Services Authority (NHSBSA)         |                     |
|   |               | Manage Your Service (MYS) application. Paper claim forms will     |                     |
|   |               | not be accepted   |                     |
| Smoking Cessation Service (SCS)   | Monthly       | From 10 March 2022, pharmacy contractors who have                 |                     |
|   |               | registered for the service will be able to submit a claim for the |                     |
|   |               | reimbursement of products supplied and fees for                   |                     |
|   |               | consultations provided. Moving forward, these claims will be      |                     |
|   |               | submitted on the Manage Your Service (MYS) system, but            |                     |
|   |               | while work is conducted to finalise this, there will be an        |                     |
|   |               | interim process that contractors should follow.                   |                     |
|   |               | interin process that contractors should follow.                   |                     |
|   |               | Contractors should download and complete the Smoking              |                     |

Updated May 2022

| Hypertensive Case Finding Service  Monthly  All payments must be claimed via the NHSBSA Manage Your Service (MYS) portal  Community pharmacy contractors must claim payment monthly, via the NHS Business Services Authority (NHSBSA) Manage Your Service (MYS) application.  All Public Health commisioned services via East Sussex County Council Stop Smoking Service, Varenicline PGD, Emergency Hormonal Contraception, Chlamydia treatment, Condom Supply, Chlamydia/ Gonorrhoea Self Test & NHS healthchecks All Substance misuse service commissioned by CGL: Take Home Naloxone, Supervised Consumption and Needle Exchange.  Good Practice to enter each consulation onto PharmOutcomes during the appointment  Palliative Care Service Good practice to keep the Palliative Care stock separated in the CD cabinet as the out of date drugs are claimed via CCG under this service  Specials & Unlicensed Medicines Records  Annually  All paper work to be send to the CCG  Pharmacies are no longer required to submit copies of the COA and COC to the local NHS England and NHS Improvement (NHSE&I) team after dispensing unlicensed specials or imports not listed in the Drug Tariff.  Pharmacies are required to keep the necessary records of unlicensed specials or imports they dispense for a period of |  |          | Cessation Service claim form (Excel: 38KB). They should send it to <a href="mailto:nhsbsa.mys@nhs.net">nhsbsa.mys@nhs.net</a> by the 5th day of the month following the month the claim was made for. For example, claims in March 2022 should be submitted by 5 April 2022.  Reimbursement for products supplied and consultations provided will take place in the prescription month of when the claims were submitted. For example, claims in March 2022 will be reimbursed alongside the March 2022 prescription month. |
