| Services to be claimed | When to claim | Where to claim |
|--|---------------|---|
| Number of Appliance Use Reviews | Monthly | FP34C on MYS portal |
| Number of Appliance Use Reviews conducted at the users home | Monthly | FP34C on MYS portal |
| Number of completed New Medicine Service undertaken <i>It's a good practice to keep Monthly data for NMS undertaken to meet the quarterly data submission contractual requirement</i> | Monthly | FP34C on MYS portal |
| Stoma Appliance Customisation (SAC) | Monthly | The stoma appliances that can be customised are listed in part IXC Drug Tariff and payment is paid per qualifying product. |
| Community Pharmacist Consultation Service (CPCS) | Monthly | All payments must be claimed via the NHSBSA Manage Your Service (MYS) portal ; no paper-based claims process is available for the service. The CPCS IT system (PharmOutcomes) will be able to pre-populate claim information in MYS each month, so that the contractor then just needs to login to MYS at the start of the following month to confirm that the information is correct and to submit the claim. |
| Discharge Medicine Service (DMS) | Monthly | All claims should be made via NHSBSA Manage Your Service (MYS) portal . |
| NHS Flu (service normally runs September to March) | Monthly | Community pharmacy contractors must claim payment monthly, via the NHS Business Services Authority (NHSBSA) Manage Your Service (MYS) application . Paper claim forms will not be accepted. |
| Smoking Cessation Service (SCS) | Monthly | <p>From 10 March 2022, pharmacy contractors who have registered for the service will be able to submit a claim for the reimbursement of products supplied and fees for consultations provided. Moving forward, these claims will be submitted on the Manage Your Service (MYS) system, but while work is conducted to finalise this, there will be an interim process that contractors should follow.</p> <p>Contractors should download and complete the Smoking Cessation Service claim form (Excel: 38KB). They should send it to nhsbsa.mys@nhs.net by the 5th day of the month following</p> |

| | | |
|---|-----------------------------------|--|
| | | <p>the month the claim was made for. For example, claims in March 2022 should be submitted by 5 April 2022.</p> <p>Reimbursement for products supplied and consultations provided will take place in the prescription month of when the claims were submitted. For example, claims in March 2022 will be reimbursed alongside the March 2022 prescription month.</p> |
| Hypertensive Case Finding Service | Monthly | All payments must be claimed via the NHSBSA Manage Your Service (MYS) portal. |
| Hepatitis C Antibody Testing Service | Monthly | Community pharmacy contractors must claim payment monthly, via the <u>NHS Business Services Authority (NHSBSA) Manage Your Service (MYS) application</u> . |
| All Public Health commissioned services via County Council <i>Good Practice to enter each consultation onto PharmOutcomes during the appointment</i> | By 5 th of every month | All claims to be made via <u>PharmOutcomes</u> . |
| Palliative Care Service <i>Good practice to keep the Palliative Care stock separated in the CD cabinet as the out of date drugs are claimed via NHS commissioners under this service</i> | Annually | All paper work to be send to the NHS commissioners. |
