

## Community Pharmacy Surrey and Sussex (CPSS) Training Information

CPSS work with a number of organisations to organise training events for community pharmacy teams. We also organise our own training events in response to contractor need.

Examples of training events include:

- Webinars
- In person workshops
- Conferences
- One to one service clinics
- Prerecorded videos
- Slideshow presentations
- Guidance documents

This short document has been put together so training videos on our website can be accessed here in one place. Please find links to our recorded webinars to watch on demand and prerecorded training videos below.

To keep up to date with all upcoming events and the latest information on training, please sign up to our newsletter [here](#)
