

# Your Local Pharmaceutical Committee: Supporting Your Pharmacy

The Local Pharmaceutical Committee (LPC) provides a vital link between community pharmacies and national bodies. They offer a range of services from high-level advocacy to direct 1-to-1 practical support for pharmacy teams.

## ADVOCACY & REPRESENTATION

### Local Voice in Advocacy

LPC members bring your local views and experiences directly into committee discussions.

### National Escalation

You can request the LPC to raise specific concerns with Community Pharmacy England.

### Direct Meeting Input

Contractors can request specific topics or questions to be discussed at LPC meetings.

## PRACTICAL SUPPORT & RESOURCES

### 1-to-1 Support Sessions

Book private sessions with team members for help with pharmacy services.

### Dedicated Support Team

Access expertise from Service Development Managers and the Chief Executive Officer.

### New Contractor Guidance

Access specific guides and support packages tailored for new pharmacy contractors.
